EDUCATION

PhD (1984) PhD Communication (Politics and Economics), Simon Fraser University
MA (1980) MA Communication (Politics and Economics), Simon Fraser University
MSc (1976) MSc (Social Psychology), London School of Economics and Political Science
BA (1974) BA Hons (Psychology), University of Manitoba

ACADEMIC EMPLOYMENT

Professor	New Media and the Internet, Department of Media and Communications, London School of Economics and Political Science, 2003-present
Professor	Interdisciplinary Programme on Media and Communication, Department of Sociology, 2001-03
Professor	Information and Communication Technology Policy, Science and Technology Policy Research Unit - SPRU, University of Sussex, 1994-2000
Reader	Science and Technology Policy Research Unit - SPRU, University of Sussex, Director, ESRC funded Centre for Information and Communication Technology Policy, 1988-1994; Co-Director – Information, Networks and Knowledge Centre, 1995-2000.

OTHER EMPLOYMENT

Administrator	Organisation for Economic Cooperation and Development, Information, Computers and Communication Policy Division, Paris, 1986-1987
Research Associate	Programme on Information and Communication Technologies, Economic and Social Research Council, London, 1985-1986
Research Associate	William H Melody & Associates, Vancouver, 1984-1985

VISITING APPOINTMENTS

Visiting Scholar	Annenberg School for Communication, University of Pennsylvania, Jan-Apr 2014
Honorary Professor	SPRU - Science and Technology Policy Research Unit (SPRU), University of Sussex, 2001-2012

Honorary Professor	LINK (Learning, Information, Networking Knowledge) Centre, Graduate School of Public & Development Management, University of Witwatersrand, South Africa, 2005-2010
Research Associate	Canadian Institute for Advanced Research (CIAR), Program in Law and the Determinants of Social Ordering, 1996-1997
Visiting Researcher	Program in Economic Growth and Policy, 'Science, Technology and Institutional Change in a Global Economy', Canadian Institute of Advanced Research (CIAR), Simon Fraser University, Apr-Sept 1994
Research Intern	Canadian Radio-television and Telecommunication Commission (CRTC), Ottawa, May-Aug 1977

RESEARCH INTERESTS

Media and Communications and Science and Technology Policy, including:
Governance of digital media and the Internet
Digital mediation of social and economic life
Social, economic and policy issues arising from innovations in digital technologies and applications
Interaction between technical design and market structures
Sources of regulatory effectiveness and failure

ADMINISTRATIVE/MANAGEMENT RESPONSIBILITIES

London School of Economics and Political Science

Member, Pro-Director Faculty Development's Sabbatical Review group, 2017-2018.
Interim Deputy Director and Provost, 2015-2016
Council Nominations Committee, 2014-2015
Knowledge Exchange and Impact Strategy Group (KEISG, formerly KESC), 2012-2015
Ethics (Grants – Donations) Panel, member 2012-2015, Co-Chair 2015-2016
Promotions Committee member, 2011-2013
Council member, Elected Academic Governor, 2005-2010
Pro-Directorship Selection Committee, 2008-2010
Equality and Diversity Committee, 2007-2010
Audit Committee, 2009-2010
External Affairs Committee, 2004-2008
Academic Planning and Resources Committee, 2001-2004

Department of Media and Communications

Acting Exam Sub-Board Chair – Oct-Nov 2018.
Director MSc/MA Double Degree in Global Media and Communications (LSE and UCT) – 2018-2019
Head of Department, 2017-2018
Examination Sub-Board Chair, 2012-2015
Director of Graduate Studies, 2009-2010
Head of Department, 2006-2009
Director, PhD Programme in Media and Communications, 2006-2008, 2009-2010
Acting Head of Department, 2003-2004
POLIS Steering Committee, 2006-2013
Teaching and Learning Committee, 2002-2015

University of Sussex

Vice-Chancellor's Research Assessment Exercise (RAE) Working Group, 2000
Sussex University Doctoral Research Degree Examination Board, 1999–2000
Sussex University Graduate Studies Committee, 1995-1997

Science Policy Research Unit (SPRU), University of Sussex

Director of Research, Senior Management Team member, 1999–2000
Director of Graduate Studies, Senior Management Team member, 1995-1997
Director External Communication, Senior Management Team member, 1993-1995
Director, Information, Networks and Knowledge Research Centre, 1995-2000
Director, ESRC Centre for Information and Communication Technologies, 1988-1994

PROFESSIONAL ACTIVITIES

Academic Professional Associations

International Association for Media and Communication Research (IAMCR)

Member IAMCR, 1984-present
Current: Scholarly Review Committee, Budget and Finance Committee, Chair of Clearinghouse for Public Statements; Member History of IAMCR Commission
Past President and Chair of International Council, 2004-2008
Chair, Organising Committees for conferences in Stockholm 2008, Paris 2007, Cairo 2006, Taipei 2005, each with 1000+ participants
Co-Chair – Media and Communication Policy Task Force, 2010-2011

European Communication Policy Research (EuroCPR) Conference, **Chair, Scientific Committee**, 2008-2014

Other Academic Memberships: International Communication Association (ICA), Media, Communication and Cultural Studies Association (MeCCSA); UK Academy for Information Systems (UKAIS), American Economic Association (AEA), Association for Evolutionary Economics (AFEE), Canadian Communications Association (CCA), Institution of Engineering and Technology (IET).

Boards of Governors

TPRC (Research Conference on Communications, Information and Internet Policy), Board of Directors, from Nov 2016 – present.

Canadian Centennial Scholarship Fund, Trustee 2018 - present

Institute of Development Studies (IDS), Sussex, Governing Body member, 1999-2009; IDS Fellowship Review & Promotions Board, 2009-2013

European Network for Communication and Information Perspectives (ENCIP), Founding Board Member, Collaboration of 15 European Universities and Institutes, 2002-2007

Research Programmes and Evaluation and Appointments/Promotions

Networks of Centres of Excellence (NCE) Standing Selection Committee member, Ottawa Canada, June 2015 – present.

ESRC College of Expert Reviewers, 2016 – 2019; ESRC Peer Review College, 2015-2016; ESRC, Virtual Research College Economics, Geography and Political Science member, 1997-2008.

Canada Excellence Research Chair Evaluation Committee member, Sept. 2017.

Chair, Scientific Research Evaluation Panel, Media and Communications, Pompeu Fabra University, Spain, May 2015

European Research Council (ERC) Advanced Grants Panel SH2 Institutions, Values and Beliefs and Behaviour member, 2009-2012; external reviewer 2013, 2016.

Advanced Communication Technologies and Services Horizontal Actions Technical Evaluation Panel Chair, European Union 4th Framework Programme, Brussels, 1995.

Countering Terrorism in Public Places Research Programme Co-Director, IDEAS Factory Sand-Pit, EPSRC, 2006.

European Commission Trade and Electronic Data Interchange Systems (TEDIS) Programme, UK Evaluator, 1993.

Project Refereeing for ESRC, EPSRC and AHRC, Department for International Development, Department of Trade and Industry, then Department of Business, Innovation and Skills

Overseas Research Programme/Project evaluation: Agence Nationale de la recherche France, Belgian Research Funding Agency, European Science Foundation, Social Sciences and Humanities Research Council (SSHRC) Canada, Irish Research Council, US National Science Foundation, Swedish and Norwegian research funding agencies, Academy of Finland, Centre for Tele-information, Technical University of Denmark, TNO Delft NL

Chair of appointments and member of tenure/promotion committees – Austria, Canada, Denmark, Ireland, United States.

Senior Academic Advisory Roles - Selected

[‘Don’t Take it Personal’](#): Privacy and information in an algorithmic age, project funded by Independent Research Fund, Denmark, led by Department of Information Studies, University of Copenhagen, September 2018 - present

[Processing Citizenship](#): Digital Registration of Migrants as Co-Production of Citizens, Territory and Europe, Advisory Board, European Research Council funded, October 2017 – present.

[Alexander von Humboldt Institute for Internet and Society](#) (IIG), Berlin, Member Scientific Advisory Council, from June 2017–present.

[e-SIDES](#): Ethical and Societal Implications of Data Science, Advisory Board, EC funded, with IDC, Fraunhofer ISI Institute for Systems and Innovation Research and University of Leiden Law School, May 2017–2019.

[LIRNE Asia](#), Scientific Advisory Council, Colombo, Sri Lanka, 2006 - present

[Global Studies Research Network](#) (formerly Global Studies Knowledge Community), Advisory Board, from 2015-present.

[UNESCO World Trends in Freedom of Expression and Media Development Report 2017](#), Advisory Board, Report prepared with University of Oxford (N Stremlau), University of Witwatersrand (I Gagliardone), and University of Pennsylvania (Monroe Price), 2016-2017.

[The New Transparency: Surveillance and Social Sorting](#), SSHRC Major Collaborative Research Initiative, 2008-2015, Queens University, Kingston Canada, from 2008-2015.

[MARCEL](#) (Multimedia Art Research Centres and Electronic Laboratories), Member, 2006-2016.

[Emergent Issues in Information and Knowledge Management](#), Steering Committee, Ministry of Foreign Affairs, The Netherlands, 2007-2012.

[Internet Interdisciplinary Institute](#), Scientific Advisory Board, Universitat Oberta de Catalunya, Spain, 2003-2011.

[Asia Media Information and Communication Centre](#) (AMIC), Advisory Board, Singapore 2005-2011.

[Center for Advanced Studies and Research in Information and Communication Technologies & Society](#) (ICT&S), Advisory Board, University of Salzburg, 2005-2011.

[Proboscis](#), Advisory Group, London, 2006-2010.

[Instituto del Tercer Mundo](#) (Third World Network), Uruguay, Advisory Panel, 2004-2006.

iSociety Programme, Work Foundation, Advisory Groups, London, 2003-2004.

Centre for Net-based Collaboration and Learning, Roskilde University, Advisory Group, 2001-2002.

Imfundo: Partnership for IT in Education, Advisory Group, London, 2000-2001.

International Internet Preservation Consortium, Working Group, 2004-2007.

Swedish Transport and Communication Research Council, International Expert, 1997-1999.

Information Engineering Committee of the Public Affairs Board, Institution of Electrical Engineers (IEE), member, 1996-1999.

Committee on National Site Licensing for Journal Publishers, Higher Education Funding Council for England (HEFCE), member, 1994-1996.

British Library, Information UK 2000 project, Advisory Committee, 1990.

Academic Editorial Responsibilities

Books

- Advisory Board, [Global Transformations in Media and Communication Research](#), IAMCR and Palgrave, 2014-present
- Advisory Board, [The International Encyclopedia of Communications](#), Sub-Disciplinary Series, and Associate Editor for Communication Technology, International Communication Association, Wiley-Blackwell, from 2010-2015.
- Editorial Board, [Communication Yearbooks](#), International Communication Association, 2008-09 and 2011-2016.
- Editorial Board, [Palgrave Global Media Policy and Business](#), from 2012-present
- Editorial Board, [Palgrave Macmillan Series in International Political Communication](#), 2008-2015.
- Advisory Board, [Bloomsbury Academic Publishers](#), from 2008-2013
- Editorial Board, [Innovation in the 21st Century Series](#) World Scientific Publishing, 2010-2011

Journal Editorial Boards

Media and Communications Field:

- New Media & Society*, Sage
- International Journal of Communication*, Annenberg, University of Southern California
- Communication, Culture & Critique*, Wiley
- Continuum: Journal of Media and Cultural Studies*, Taylor & Francis
- International Journal of Media and Cultural Politics*, Intellect
- The Information Society: An International Journal*, Taylor & Francis
- Annals of the International Communication Association* Taylor & Francis
- La Revue européenne des médias et du numérique*, France
- Global Media Journal – Canadian Edition*

Telecommunications/Innovation Policy Field:

- Industrial & Corporate Change*, Oxford University Press (Associate editor)
- Information, Economics & Policy*, Elsevier
- Prometheus: Critical Studies in Innovation*, Taylor & Francis
- Digital Policy, Regulation and Governance* (formerly *Info: The journal of policy, regulation and strategy for telecommunications, information and media*), Emerald Publishers
- Telecommunications Policy*, Elsevier

Communication and Development Field:

- Communication & Social Change*, Hapatia Press (Advisory Board)
- Information and Communication Technologies and Human Development* (IJICTHD), IGI-Global Editorial Review Board

Former

- Communication & Social Change*, Spain
- DigiWorld Economic Journal* (formerly *Communications & Strategies*), IDATE France
- Journal of Media and Cultural Studies*, Australia
- Information Technologies and International Development*, US
- SC | M, Studies in Communication | Media*, Germany
- The Southern African Journal of Information and Communication*

Large Research Conference Organisation

- Chair, Local Organising Committee, Media, Communication and Cultural Studies Association (MeCCSA) Annual Conference hosted by LSE, 2010
- Chair, Department of Media and Communications, LSE Fifth Anniversary Conference, *Media, Communication & Humanity*, London Sept. co-chair, 2008
- Chair, International Association for Media and Communication Research (IAMCR), Congress, Stockholm 2008, Paris 2007, Cairo 2006, Taipei 2005

Advisory Boards for conferences:

[GIG-ARTS 2019](#) Third European Multidisciplinary Conference on Global Internet Governance Actors, Regulations, Transactions and Strategies, 16-17 May, Salerno, and 2017, 2018.

World Congress on Communication for Development, Rome 2006, Global Knowledge Partnership Action Summit, Kuala Lumpur 2000, Economic Commission for Africa, Africa Development Forum

1999; OECD/EU/IEE Economics of the Information Society, London, 1997, Conference Chair, Institution of Electrical Engineers/Buy IT Conference on Building Trust in Electronic Commerce, London, 1998, Scientific Programme Committee, ConTel Conference on Telecommunications, Croatian Telecommunications Society, Zagreb, 1993-96, Scientific Committee, Telecommunications, Informatique, Audiovisuel: Le Temps des Alliances, IDATE 14th International Conference, Montpellier, 1993, Scientific Committee, International Telecommunications Society (ITS) Regional Conference, 1993, 1995.

ACADEMIC SEMINAR PRESENTATIONS

Bentley University, Boston, Cambridge University, Free University of Brussels, Michigan State University, Ohio State University, Oxford University, Roskilde University, Royal Holloway UoL, Simon Fraser University, SOAS, University of London, Tallinn University, University of Brighton, University of Calgary, University of Halle, University of Leipzig, University of Manchester, University of Manchester Institute of Science and Technology (UMIST), University of Michigan, University of Middlesex, University of Newcastle, University of Pennsylvania, University of Salzburg, University of Sussex (non-SPRU), University of Toronto, University of Westminster.

TEACHING

[DC Lead](#) - Masters in Digital Communication Leadership, Erasmus Mundus Joint Masters Program, External Evaluation Council member, Paris-Lodron-Universität Salzburg, Department of Communication Studies with Aalborg University (AAU), Denmark and Vrije Universiteit Brussel (VUB), Belgium, 2017-present.

ESRC Postgraduate Training Board (1998-2002) and Vice-Chair 2000-2002; ESRC Postgraduate Training Board Recognition Panel Member 1999-2002, Chair 2000-2002; ESRC Postgraduate Training Board CASE Studentship Competition Panel Member 1999-2002, Chair 2001-2002; ESRC Advanced Course Studentship Panel member, Science, Technology and Innovation Studies (1997).

PhD Supervision

Current

Ville Aula (Started October 2018) Hacking Big Data into Knowledge – Experts, Data and Material Practices in Hackathon Events, joint supervision with Alison Powell

Kathryn Higgins (Started October 2017) Imagining (In)security: Tracing the hand of mediation in the construction, reception and reproduction of contemporary security knowledges, joint supervisor with Lilie Chouliaraki

João Carlos Magalhães (Started October 2015) Data Analytics, Ethics and Digital Platform Mediation, joint supervisor with Alison Powell

Eleonora Mazzoli (Started October 2018) Governing Digital Societies: Powers and Counter-powers of the European Audiovisual Media Industry in a Datafied-Networked Society, joint supervision with Damian Tambini.

16 PhD students supervised to successful completion at LSE as lead supervisor

Olugbenga Adesida (Awarded 2005) Intermediating institutions and the diffusion of complex technological innovations: The case of electronic commerce

Philippe Ross (Awarded 2005) [Mediation in new media production: representation and involvement of audiences/users at NESTA Futurelab](#)

Evangelia Berdou (Awarded 2007) [Managing the bazaar: commercialization and peripheral participation in mature, community-led free/open source software projects](#)

Dorothea Kleine (Awarded 2007) Empowerment and the limits of choice: Microentrepreneurs, information and communication technologies and state policies in Chile

Shenja van der Graaf (Awarded 2009) [Designing for Mod Development: User creativity as product development strategy on the firm-hosted 3D software platform](#)

Helena Johansen (Awarded 2009) [Re-Conceptualising Party-Centred Politics in Terms of Market: A Relationship Marketing Approach](#)

David Brake (Awarded November 2009) [‘As if nobody’s reading’: The imagined audience and socio-technical biases in personal blogging practice in the UK](#)

Frédéric Lesage (Awarded November 2009) [Networks for art work: An analysis of artistic creative engagements with new media standards](#)

Yukie Hori (Awarded July 2010) Social networks in the network society: New dynamics of networking among women’s organizations in Asia

Elizabeth Van Couvering (Awarded July 2010) [Search Engine Bias: The Structuration of Traffic on the World-Wide Web](#)

Indrek Ibrus (Awarded December 2010) [Evolutionary Dynamics of New Media Forms: The Case of Open Mobile Web](#)

Iginio Gagliardone (Awarded December 2010) [Development and destabilization: The selective adoption of ICTs in Ethiopia](#)

Nina Blackett (Awarded December 2014) [Mediated transparency: Truth, truthfulness, and rightness in the digital healthcare discourse](#)

Alex Free (Awarded December 2015) [Workplace Selves, Interactive Service Work and Outsourcing: Labour in Kenya’s Call Centres](#)

Nicholas Benequista (Awarded July 2017) [The Moral Dilemmas of Journalism in Kenya’s Politics of Belonging](#)

Gregory Asmolov (Awarded July 2017) [Subject, Crowd and the Governance of Activity: The Role of Digital Tools for Emergency Response.](#)

22 DPhil students supervised to successful completion at SPRU, University of Sussex

Sergio Banhos (Awarded 1990 MPhil) The technological merging of computers and telecommunications and its effects on corporate strategies in the Brazilian IT market

Richard Hawkins (Awarded 1992) Standards for technologies of communication: Policy implications of the dialogue between technical and non-technical factors

Salvatore Torrasi (Awarded 1995) The organization of innovative activities in European software firms (joint supervised with Nick Von Tunzelman)

Burt Sadowski (Awarded 1995) Opportunities and constraints for public and corporate networks in post-reunification Germany

Georgios Stamboulis (Awarded 1995) New technology in the European periphery: The development of the ICT in Hellas (Greece)

Stephen Pollak (Awarded 1995) Computers, telecommunications and the microbiologist: The online hunt for microbes

Erik Archambault (Awarded 1996) Inventors, entrepreneurs and the metamorphosis of telecommunication systems

Jane Millar (Awarded 1996) Interactive learning in situated practice: Factors mediating the new production of knowledge during iCASE technology interchange

Andreas Credé (Awarded 1997) Technological change and the information society: An examination of credit risk assessment and cash handling procedures in commercial banks.

Luiz Fernando Ferreira Silva (Awarded 1997) U.S. Cold War foreign policy and satellite communication: The case of earth station network build-up in Brazil and Argentina

Anga-Thevar Baskaran (Awarded 1998) Technology development in India’s space programme, 1965-1995: The impact of the missile technology control regime

Natasha Constantelou (Awarded 1998) Transformation dynamics in Southern and Eastern Europe: The emergence of advanced communication networks and services

Michele Javary (Awarded 1999) The economics of power

Ana Arroio (Awarded 2000) Technological Opportunities for Brazilian social development: An examination of low earth orbit satellite development.

Martin De Saulles (Awarded 2000) Innovation within the service sector: the use of interactive networks by retailers

David Neice (Awarded 2001) Conspicuous contributions: Signs of social esteem on the Internet

Daniel Paré (Awarded 2001) Internet governance in transition: Just who is the master of this domain?

Uta Wehn de Montalvo (Awarded 2001) Crossing organisational boundaries: Prerequisites for spatial data sharing in South Africa

Jennifer Gristock (Awarded 2002) Organisational virtuality and the UK newspaper industry: A study of a system of innovation as a system of mediation

Gillian Marcelle (Awarded 2002) Technological capability building and learning in the developing world: The experience of African telecommunication companies

Byung-Keun Kim (Awarded 2003) The political economy of the internet system evolution (joint supervised with W E Steinmueller)

Allison Murray (Awarded 2003 MPhil) Public private partnerships in the internet-based services sector in developing countries

External PhD Supervisor

Crystal Chokshi, (started 2018), 'What is at stake in permitting algorithms not just to mediate but also *to write* our words? Department of Communication, Media and Film, University of Calgary, co-supervisor.

Peter Benjamin (Awarded 2001) 'Telecentres and Universal Capability', Aalborg University, co-supervisor.

Alison Gillwald, (Awarded 2009) Wireless: a decade of telecommunications reform in South Africa, Graduate School of Public and Development Management, University of the Witwatersrand.

External Examiner UK: Birkbeck College University of London, City University London, Goldsmiths College London, University College London, University of Cardiff, University of Edinburgh, Loughborough University (2), University of Newcastle, Stirling University, University of Westminster, University of Manchester Institute of Science and Technology.

External Examiner Overseas: University of Maastricht, Delft University of Technology, University of Oslo (3); Roskilde University; Simon Fraser University; Dublin City University (2); School of Law and Political Science, Open University of Catalonia, Karlstad University Sweden, University of Malta.

Internal Examiner University of London/LSE: 10; University of Sussex, 6.

LSE Teaching Programmes Directed and Courses

[MC413](#) Communication, Information and Knowledge Systems 2001 to 2015, and MT 2018, except sabbaticals.

[MC435](#) Disruptive Digital Worlds: Competing Economic and Political Economy Explanations, LT 2018, LT 2019.

[LSE100](#) Module on 'Who Should Own Ideas?' with Law Department, 2012, 2013

[MC408/MC418](#) Theories and Concepts in Media and Communications I & II, various lectures and seminars, 2001 to 2015 and from 2017-18, except sabbaticals.

Director, [MSc Media and Communications](#) and MSc Communication, Information and Society (withdrawn), various years to 2010.

Director, [MSc Global Media and Communications \(LSE and UCT\)](#), 2018-19.

SPRU-Sussex Teaching Programmes Directed and Courses

Director, MSc in ICT Innovation and Policy, 1988-1999

Policy Analysis and the Policy-making Process, 1988-2000

ICTs and International Administrative Processes, 1988-2000

Socio-Economic Issues in Information & Communication Technology Policy, 1988-2000

Research Methods in Science and Technology Policy and Innovation Management, 1988-1995

MSc dissertation supervision, average of 6 students per year, 1988-2000

Simon Fraser University Canada Courses

Sessional Instructor, Department of Communication, 1978-79

Lecturer, undergraduate courses in Political Economy of Communication and Research Methods, Department of Communication, 1980 – 1981

Master's Programme Examiner

External Examiner, University of Westminster MA in Communication (1993-97)

External Assessor, University of Westminster Validation Panel for MA in Communication (1993)

Summer School Teaching

[IOEA](#) (Institutional and Organizational Economics Academy), 17th Session, Lecturer, May 2019.

[DC Lead](#), Interdisciplinary MSc Summer School, 'The Mediation of Hope: Communication Technologies and Inequality', 2 October 2017.

[Second Interdisciplinary Summer School on Privacy](#), Nijmegen, NL, 'Complex Digital Systems: Challenges to Accountability', 19-23 Jun. 2017.

Center for Communication, Media and Information Technologies (CMI), Aalborg University, 2013

Annenberg-Oxford Media Policy Summer School, 2013

Oxford Internet Institute Summer School, Beijing, 2005

International Summer School in Comparative Social Science Studies, University of Oslo, 2002

Information and Media Society Studies Summer School, Leysin, Switzerland, 2001

ACADEMIC PRESENTATIONS

Keynote/Plenary Lectures in bold

1. Chair, Welfare After Beveridge: Bare Life, Speakers, Prof. Richard Sennett, LSE and Prof. Lord Skidelsky, Warwick University, LSE Public Lecture, 23 Jan 2019.
2. Chair, Keynote sessions on the Rise of Populism and the Crisis of Globalisation: Brexit, Trump and Beyond, Michael Cox, and Populism and Identity, Francisco Panizza, 'We, the People: Political media and popular discourses of 'us' and 'them'', LSE Media and Communication Department Public Event 26-27 Oct. 2018.
3. Invited Panelist, 'Surveillance Society: Power, Conflict and Solidarity. Thinking through the Electronic Eye', XIX International Sociology Association World Congress of Sociology, Toronto, 15-21 Jul. 2018
4. Invited Panelist, 'Author meets critics: *The Culture of Surveillance: Watching as a Way of Life*, by David Lyon, Toronto, 15-21 Jul. 2018.
5. Speaker, 'Value Contradictions in the Regulation of Media Content and Communication Infrastructure: A Response', B. Cammaerts and R. Mansell, Paper presented at the IAMCR Conference Communication Policy and Technology Section, Eugene OR, 20-24 June 2018.
6. Invited Panelist, 'Special Session on UNESCO Internet Universality Indicators', IAMCR Conference, Eugene OR, 20-24 June 2018.
7. Invited Panelist, 'Whither the Communications Landscape in the next five years? Debating UNESCO's new Report on World Trends in Freedom of Expression and Media Development', IAMCR Conference, Eugene OR, 20-24 June 2018.

8. Discussant, 'Governance, Industries and Innovative Communication', Emerging Scholar Network and Communications Policy & Technology Section joint session, IAMCR Conference, Eugene OR, 20-24 June 2018.
9. **Public Lecture, 36th Annual Böhm-Bawerk Lecture 2017, '[Transformative Communication Technologies: The Accountability Challenge](#)'**. University of Innsbruck, 31 Oct. 2017.
10. **Keynote Speaker**, 'Digital Innovation Pathways: Towards Deepening Inequalities or Enhanced Human Flourishing?' 6th International Symposium on Media Innovations (ISMI), Tallinn University, Estonia, 16-17 Oct. 2017
11. Speaker, 'Preserving Citizen's Interests on the Internet', LSE General Course Lecture, Cumberland Lodge, London, 7 Oct. 2017.
12. Respondent, UNESCO Session on 'Media and social media: meeting the issues of terrorism and violent extremism' report on 'Social media and the radicalization of youth in the digital age', International Association for Media and Communications Research Conference, Cartagena, 16-20 Jul. 2017.
13. Panelist, Global Media Working Group Roundtable on 'New Challenges and Emerging Trends in Fast Changing Media and Communications Policy Landscape', International Association for Media and Communications Research Conference, Cartagena, 16-20 Jul. 2017
14. Panelist, UNECO Panel 'Global Consultation on Internet Indicators', International Association for Media and Communications Research Conference, Cartagena, 16-20 Jul. 2017
15. Discussant, 'The Promise and Practice of ICTs', Communication Policy & Technology Section, International Association for Media and Communications Research Conference, Cartagena, 16-20 Jul. 2017
16. Panelist, **Closing Plenary Session**, IAMCR60, International Association for Media and Communications Research Conference, Cartagena, 20 Jul. 2017.
17. Chair, Panel on Public Duty versus Private Responsibility, Internet Intermediaries in a Time of Political Uncertainty, LSE Media Policy Project Workshop, London, 18 May 2017.
18. Discussant, Panel on Consolidation in the Data Sphere, Consolidation of Platform Power, LSE Media Policy Project Workshop, London, 15 May 2017.
19. Discussant, Paper session on 'Diplomacy at the Crossroads of Globalisation and Digitalisation', GIG-ARTS 2017, Global Internet Governance as a Diplomacy Issue, Paris, 30-31 Mar. 2017.
20. Speaker/Panelist, 'Inequality in a Digital World: Cross-Disciplinary Challenges', Digital Organisation and Society: New Research Theme Group Launch Event, School of Management, Royal Holloway, Univ. of London, 22 Feb. 2017.
21. Panelist, 'Is the polarisation of media narratives hurting our democracy?' with journalist panelists, Oxford Forum Debate, Christ Church College, 12 Feb. 2017.
22. **Public Lecture**, 'Inequality, Social Justice and Digitally Mediated Communication: Contradictions and Social Justice', Universitat Pompeu Fabra, Barcelona, 17 Jan. 2017.
23. **Keynote Speaker**, 'Inequality and Digitally Mediated Communication: Divides, Contradictions and Consequences', European Communications Research and Education Association (ECREA) Preconference 'Cleaning the House: Testing Critical Concepts in Communication and Society', Prague, 8-9 Nov. 2016.
24. **Keynote Speaker**, 'Algorithms: Interdisciplinary Perspectives and Challenges', Humanities and Social Sciences in the Digital Age, Postgraduate Research Conference, University of Strathclyde, 12 Sept. 2016.
25. Speaker, UNESCO panel discussion on Internet Universality, International Association for Media and Communication Research Conference, Leicester, 27-31 Jul. 2016.
26. Chair, 'The Case for Internet Policy?', Communication Policy and Technology Section, International Association for Media and Communication Research Conference, Leicester, 27-31 Jul. 2016.
27. **Keynote Speaker**, Final Plenary, 'Surveillance, Power and Communication', International Communication Association (ICA) Conference, Fukuoka, 13 Jun. 2016.

28. **Keynote Speaker**, 'Power, Hierarchy and the Internet – Why the Internet Empowers and disempowers', Global Studies Conference on 'Power and Participation in the Age of Big Data', London, 20-21 Jul. 2015.
29. **Keynote Speaker**, 'Social Imaginaries, the Internet – Empowerment and Disempowerment', International Association for Media and Communication Research Conference, Montreal, 12-16 Jul. 2015.
30. Paper Presentation, 'Unpacking "Black Boxes": Understanding Digital Intermediary Innovation', International Association for Media and Communication Research Conference, Montreal, 12-16 Jul. 2015.
31. Paper Presentation, 'Governing Knowledge Societies – Competing Norms and Models', PANAM Workshop, Montreal, 17 Jul. 2015.
32. Chair, 'Internet Governance Post-Snowden', Communication and Technology Policy Section, International Association for Media and Communication Research Conference, Montreal, 12-16 Jul. 2015.
33. Discussant, 'CyberEurope: Internet, Security and Citizens' Rights', 22nd International Conference of Europeanists, Science Po, Paris, 9 Jul. 2015.
34. Invited Panelist, 'The Unbearable Lightness of Media and Communications Research', ICA Conference, San Juan, Puerto Rico, 22-26 May 2015.
35. Co-Organiser and Discussant, 'Administrative v. Critical Research: Implications for Contemporary Information Policy Studies', ICA Pre-Conference, San Juan, Puerto Rico, 21 May 2015
36. Invited Paper Presentation, 'Social Value of High Bandwidth Networks: The Case of Creative Performance', Conference on Communication Networks Beyond the Capacity Crunch, organised by The Royal Society, London 11-12 May 2015.
37. **Keynote Speaker**, 'The Public's Interest in Intermediaries', European Communications Policy Research Conference (EuroCPR), Brussels, 23-24 Mar. 2015.
38. **Keynote Speaker**, 'Governing Information Societies – Imaginaries, Conflicts and Consequences', iSociety Conference, IEEE and Infonomics Society, London, 10-12 Nov. 2014.
39. Participant, The Alternative Internet(s) – state of the art and the possible future, LSE and CNRS Institute for Communication Sciences Workshop, London, 15-16 Sept. 2014
40. **Chair and Speaker**, Plenary Session – Governing Digital Space, International Association for Media and Communication Research Conference, Hyderabad, 15-19 Jul. 2014.
41. Participant, 'Does Scientific knowledge make a difference in knowledge societies', Working Group on Global media Policy, International Association for Media and Communication Research Conference, Hyderabad, 15-19 Jul. 2014.
42. Discussant, 'Digital, regulatory and commercial challenges for traditional media systems', International Association for Media and Communication Research Conference, Hyderabad, 15-19 Jul. 2014.
43. Panel Member, UNESCO Panel on Global Study of Internet Issues, International Association for Media and Communication Research Conference, Hyderabad, 15-19 Jul. 2014.
44. Speaker, 'Contradictory Narratives" The Politics of Information Society Debates in Action, Annenberg-Oxford Media Policy Summer Institute, University of Oxford, 7 Jul. 2014.
45. Panel speaker, 'Knowledge Societies For /Against "Development"', 'Les sociétés du savoir en project', SFSIC, French Communications Studies Association, Toulon, 6 Jun. 2014.
46. Session chair and comments 'Amartya Sen and the Normative Deficit of Critical Media and Communications Research' for 'Communication and Justice- Revisiting Three Classics of Normative Communication Theory, Philosophy, Theory and Critique Division, International Communication Association, Seattle, 22-27 May 2014.
47. **Public Lecture**, "'Bits of Power": Struggling for Control of "Communication Networks', Annenberg School for Communication, University of Pennsylvania, 8 Apr. 2014.]
48. 'Prospects, Challenges and Limits to User-Centric Approaches in the Digital Information Society', Welcome and Closing Remarks, EuroCPR Conference Chair, Brussels, 24-25 Mar. 2014.

49. Colloquium Speaker, 'ICTs For/Against "Development"', Annenberg School for Communication, University of Pennsylvania, 19 Feb. 2014.
50. Colloquium Visiting Scholar Introductory Presentation with Professor Lisa Parks UC Santa Barbara, Annenberg School for Communication, University of Pennsylvania, 29 Jan. 2014.
51. Speaker, 'New Media, Disruptive Innovation and Governance Challenges', Interdisciplinary Policy Group (IPG) Seminar on 'Movements for Social, Political and Economic Change', London, 13 Dec. 2013.
52. **Keynote Speaker**, 'Policing Cyberspace Paradoxes' at 'Turmoil and New Life: Media Crisis as Change and Challenge, SwissGIS and Sinergia meet EMRG, Public Seminar University of Zürich, 29 Nov. 2013.
53. Speaker, International Association for Media and Communication Research (IAMCR) Conference, 'Knowledge Societies Futures – Destabilization in Whose Interest?', paper presented to the Communication Technology & Policy Section, Dublin, 25-29 Jun. 2013.
54. Chair, International Association for Media and Communication Research (IAMCR) Conference, Panel on Global Internet Governance: Histories and Emerging Trends, Working Group on Global Media Policy, Dublin, 25-29 Jun. 2013.
55. Panellist, International Association for Media and Communication Research (IAMCR) Conference, 'The Road from 'Public Internet' to 'Managed Services': Lessons from the MacBride Report'. Panel on the MacBride Report, Dublin, 25-29 Jun. 2013.
56. Panelist and Chair, International Association for Media and Communication Research (IAMCR) Conference, Panel on 'A New Canadian Communications Act? Creative Destruction of Analogue Era Legislation', Communication Technology Policy Section, Dublin, 25-29 Jun. 2013.
57. Discussant, International Association for Media and Communication Research (IAMCR) Conference, Special Session on 'Rethinking Communication Theory: Crisis, Power Shifts and Alternative Constructs', Dublin, 25-29 Jun. 2013.
58. Chair and speaker, 'Innovation and Governance – After Leveson – Introductory remarks', Media and Communication Department, LSE, 10th Anniversary Conference, 16 Jun. 2013.
59. **Keynote Speaker**, 'Internet Social Imaginaries: Crowdsourcing, Collective Action and Governance', Faculty of Extension, University of Alberta, Edmonton, 24 May 2013.
60. **Keynote Speaker**, 'The European Digital Agenda: For Whom?', European Communication Policy Research (EuroCPR) Conference, Opening Session, Brussels, 21-22 Mar. 2013.
61. **Keynote Speaker**, Interdisciplinary Panel, CREATE Launch Working Conference, University of Glasgow, Glasgow, 1 Feb. 2013.
62. Speaker, 'The Information Society Agenda: Prospects and Problems', Communication Technologies and International Development Seminar Series, PCMLP and OII, 30 Jan. 2013.
63. Participant, Open Economics Workshop, Cambridge University, 16-17 Dec. 2012.
64. Seminar Presentation, 'Imagining the Internet: Paradoxical Systems and What to do About Them', Panel on the Non-Neutrality of Digital Ecosystems, @IRSForum, Department of Management, LSE, 10 Dec. 2012.
65. **Keynote Speaker**, 'Promoting Access to Digital Knowledge Resources: Managing in the Commons', First Thematic Conference on the Knowledge Commons 'Governing Pooled Knowledge Resources: Building Institutions for Sustainable Scientific, Cultural and Genetic Resource Commons', Catholic University of Louvain, Belgium 12-14 Sept. 2012.
66. **Public Lecture**, Free University of Brussels, 'Social Imaginaries in the Internet Age', Brussels, 28 Mar. 2012.
67. **Public Lecture**, Roskilde University, 'Social Imaginaries of Communication Technology, Roskilde, Denmark, 27 Jan. 2012.
68. **Public Lecture**, Tallinn University, 'Social Imaginaries of Technology', Tallinn, Estonia, 3 Nov. 2011.
69. PhD Seminar Lecture, Tallinn University, 'New Media Challenges in Front and Behind the 'Screen'', Tallinn, Estonia, 2 Nov. 2011.

70. Chair, 'How are digital technologies transforming development? Panel, European Association of Development Institutes Conference/UK Development Studies Association, York University, 19-22 Sept. 2011.
71. Discussant, 'Shared Values: Advocating New Approaches to a Global Development Ecology', Panel, European Association of Development Institutes Conference/UK Development Studies Association, York University, 19-22 Sept. 2011.
72. Panellist, MacBride Panel, 'Whose Knowledge Counts? Power and ICTs', International Communication Section, International Association for Media and Communication Research (IAMCR) Conference, Istanbul, 13-17 Jul. 2011.
73. Paper presentation, International Association for Media and Communication Research (IAMCR) Conference, 'Copyright Infringement Online: The Case of the Digital Economy Act Judicial Review in the United Kingdom' with W. E. Steinmueller, paper presented to the Communication Technology & Policy Section, Istanbul, 13-17 Jul. 2011.
74. Chair and presenter, International Communication Association (ICA), Annual Conference, Mini-Plenary 'Communication Scholars in the Policy Arena', Boston, 28 May 2011.
75. Scientific Chair and Chair, EuroCPR Annual Conference, 'Online content: trends and policy issues in Asia, USA and Latin America', Ghent, 26-28 Mar. 2011.
76. Public Seminar, Institute for Development Studies (IDS), Sussex, 'Whose Knowledge Counts? Towards a Political Economy of the Knowledge-based Society/Economy', Falmer, Brighton, 26 Jan. 2011.
77. Co-chair and organiser, ICTD 2010, Congress, Co-Chair and organiser, Conceptions of Accountability in Policy and Practice, 2.5hr session, Conference Reflections and Conclusions: ICTD 10 Years Beyond the Millennium, Royal Holloway College, London, 13 Dec. 2010.
78. Chair, International Association for Media and Communication Research (IAMCR) Congress, 'Confronting Issues of ICTs, the Environment and Citizenship', IAMCR Task Force on Media and Communication Policy, Braga, 19-22 Jul. 2010.
79. Panellist, International Association for Media and Communication Research (IAMCR) Congress, 'Privacy and surveillance in online environments and the role of academics' Communication Technology & Policy Section, Braga, 19-22 Jul. 2010.
80. Paper presentation, International Association for Media and Communication Research (IAMCR) Congress, 'Power, Interests and the Knowledge Society', to the Communication Technology & Policy Section, Braga, 19-22 Jul. 2010.
81. Presentation, Information and Communication Technology & Society (ICT&S) Center, 'Reflections on eParticipation Research', University of Salzburg, International Advisory Panel Meeting, 15-16 Jul. 2010.
82. **Keynote Speech**, at International Conference on 'Youth, New Media & Social Change', The Global Information Society: In Whose Interest?, University of Northampton, 8 May 2010.
83. Chair and discussant, EuroCPR (Communications Policy Research Conference), for paper by Y. Benkler, Opening Plenary, Brussels, 28-30 Mar. 2010.
84. Speaker, Roger Silverstone Symposium, University of Sussex, Falmer Brighton, 20 Jan. 2010.
85. Chair, MeCCSA Annual Conference, Keynote Session on New Media, Surveillance and Policy, hosted at LSE, 6-8 Jan. 2010.
86. **Keynote Speaker**, SWISSGIS (Swiss Centre for Studies on the Global Information Society), University of Zurich, SwissGIS 10 Years After, 'The Global Information Society Juggernaut: In Whose Interest?', Zurich, 6 Nov. 2009.
87. Presentation, Good Planning or Benign Imposition? Innovation, emergence and risk in developmental research: learning from ICTD, Workshop sponsored by BDDG/IKM, Judge Institute, Cambridge, 17 Sept. 2009.
88. Paper presentation, International Association for Media and Communication Research (IAMCR) 'Information Societies: History and Prospects', for the Communication Policy & Technology Section, Mexico City, 20-24 Jul. 2009

89. Panellist, International Association for Media and Communication Research (IAMCR), 'Roundtable: The Emerging Post-Liberal Order and its Consequences for Media and Communication', Mexico City, 20-24 Jul. 2009
90. Speaker, LSE Delhi Alumnae Chapter Event, 'Media for Democracy and Development', New Delhi, 15 Jul. 2009
91. **Plenary Keynote**, Asia Media Information and Communication Centre (AMIC). 'The Internet, Power and Social Change', 18th Annual Conference, New Delhi, 13-16 Jul. 2009.
92. Panellist, International Communication Association (ICA) Annual Conference, 'Keyword: Interactivity', Panel Speaker, 'Joint IAMCR/ICA Panel, Chicago, 22 May 2009.
93. **Opening Plenary Panel Speaker**, International Communication Association (ICA) Annual Conference, 'Regulation in the Digital Era – Forces for Reform – Who has a say?', Chicago, 21 May 2009.
94. Seminar Presentation, Cambridge University, Sociology Seminar, 'New Media and Empowerment: Is there a power shift?', Cambridge, 15 May 2009.
95. **Keynote Speaker**, German Communications Association Annual Conference, 'Power, Media Culture and New Media', Bremen, 29-30 Apr. 2009
96. **Public Lecture**, Provost Seminar Series, 'The Life and Times of The Information Society: A Critique of a Vision', Bentley University, Boston, USA, 24 Apr. 2009
97. Chair, Keynote session: Competitiveness, policy and regulation, EURO Communications Policy Research Conference, Seville, 29-30 Mar. 2009.
98. Panellist, 'Trust on the Internet', at the Wealth of Networks: Digital Economies and the Next-generation Internet, UK Digital Economy Research Programme, Conference organised by Southampton University, London, 24 Mar. 2009.
99. Invited Presentation, 'Effective States and the Media: A research dialogue across disciplines symposium', Institute of Development Studies, Sussex, 16 Jan. 2009.
100. Concluding Remarks, 'Countering Terrorism in Public Places Follow on Workshop: Brief Summary', EPSRC, ESRC, AHRC sponsored workshop, London, 9-10 Nov. 2008.
101. **Keynote Speaker**, 'Communication, Information and ICT Policy: Towards Enabling Research Frameworks', HCC8 Conference (IFIP TC9) 8th International Conference on Human Choice and Computers, University of Pretoria, South Africa, published in proceedings, 25-26 Sept. 2008.
102. **Keynote Speaker**, 'ICTs and Society': Research Issues & Challenges', ICT and Society Network Launch Meeting, ICT&S Center, University of Salzburg, Salzburg, 20 Jun. 2008.
103. Chair, 'Towards a Research Agenda for Media and Communications', IAMCR/ICA Panel Session, International Communications Association Conference, Montreal, 25 May 2008.
104. **Keynote Speaker**, 'The Light and the Dark Sides of Web 2.0' Web 2.0 Conference, Royal Holloway College, University of London, 17 Apr. 2008.
105. Paper Presentation, 'The life and times of the information society: a critical review'. at the Media@LSE Fifth Anniversary Conference: Media, Communication and Humanity, 21-23 Sept. 2008.
106. Presentation, 'Communicative Cities', Contributor to Urban Communication Foundation Workshop, Paris, organised by Professor Gary Gumpert, 26 Jul. 2007.
107. Invited Speaker, 'IAMCR Task Force on Media and Communication Policy' International Association for Media and Communication Research Conference, Paris 23-25 Jul. 2007.
108. Paper Presentation, 'The Ambiguity of Connection in Public Spaces: The 'undersound' project in the London Underground' (A. Bassoli first author), at the International Association for Media and Communication Research Conference, Paris 23-25 Jul. 2007.
109. **Opening Plenary Panel**, 'New Media, Boundary Crossing and Critical Research', 'Communication and Critique', ICA Conference, San Francisco, 24 Jun. 2007.
110. **Keynote Speaker**, 'A comment on a Retrospective on EU 'ICT Policy by E Liikanen', EURO Communications Policy Research Conference, Saville, 24-26 Mar. 2007.

111. Panellist, 'Media and New Technology: Can the digital revolution boost the impact of African media on development and governance?' Workshop, POLIS Conference on 'Development, Governance and the Media', LSE, 22 Mar. 2007.
112. **Keynote Speaker**, 'Knowledge Societies: Illusions and Dilemmas', International Conference on Technology, Knowledge and Society, Cambridge, 10 Jan. 2007.
113. Seminar Presentation, 'Knowledge Societies for Development: What are the fault lines?' SOAS, London, 25 Oct. 2006.
114. Discussant, 'Roundtable: The Opportunities and challenges for international associations in media and communications', Internationalising Media Studies: Imperatives and Impediments Conference, University of Westminster, 15-16 Sept. 2006.
115. **Plenary Speaker**, 'Fostering Diversity in Knowledge Societies: Fault lines and intermediaries', new perspectives in media and communication research, AMIC Annual Conference, Penang, 17-20 Jul. 2006.
116. Paper Presentation, 'Collective Action, Institutionalism and the Internet', to the 'Institutional Transformations for the 21st Century Economy: Theory, Practice and Policy' session, Association for Evolutionary Economics (AFEE), Allied Social Science Associations (ASSA), Boston, 6 Jan. 2006.
117. **Keynote Speaker**, 'Ambiguous Connections: Entitlements and Responsibilities of Global Networking', Development Studies Association Conference, Open University, Milton Keynes, 7-8 Sept. 2005.
118. Invited Speaker, 'New Media Research and Training Challenges', Asia Media Information and Communication Centre (AMIC) Annual Conference, Beijing, 18-21 Jul. 2005.
119. Seminar Presentation, 'Upsides and Downsides of Disciplinary and Interdisciplinary Inquiry', to Information Systems Department Seminar, LSE, 16 Jun. 2005.
120. **Plenary Speaker**, 'ICTs for Development', Canadian Communications Association Conference, London Ontario, 2-4 Jun. 2005.
121. Panellist, 'World Summit on the Information Society: Government, Business and Civil Society Policy Dialogue', International Communications Association Conference, New York, 26-30 May 2005.
122. Seminar Presentation, 'Trust and Crime in Information Societies', Info Rights Salon, Department of Information Studies, University of Toronto, Toronto, 31 May 2005.
123. Workshop Presentation, 'Network security in an insecure world', at 'Innovation and productivity: what we know and what we don't - reflections from social science': LSE-EDS Innovation conference, London, 13 Dec. 2005.
124. **Public Lecture**, 'Policy and Regulation for Security: What are the limits?', presented as part of the Manchester University Press Centenary Public Lecture series, Manchester Business School, 24 Nov. 2004.
125. Invited Lecture, 'EU Multi-actor Governance - Information & Communication Policy', presented at 'The Multi-stakeholder Approach in Information and Communication Policies: Global strategies, local authorities, business interests and citizens' practice from Geneva to Tunis', Venice, 23 Nov. 2004.
126. Paper Presentation, 'Metadata, Internet Mediation and Power', at the IAMCR Conference, Communication Technology Policy Section, Porto Alegre, 25-30 Jul. 2004.
127. Invited Paper Presentation, 'Cybertrust and Crime Prevention: Troubling Issues for Privacy Protection', to 'The Value of Information in Networked Contexts, International Video-Conference in collaboration with Haifa University and Columbia University, LSE, 2 Feb. 2004.
128. Invited Lecture, 'Global Information Societies: Conceptual Tools and Contending Research Agendas', presented to the Annenberg School for Communication, University of Southern California, 4 Dec. 2003.
129. Invited Lecture, 'E-Business and Empowerment: the internet and the individual', presented to the ACU (Association of Commonwealth Universities) General Conference, Belfast, 2 Sept. 2003.
130. **First Annual Lecture**, 'The Internet and Society: missing conceptual tools for policy', of the Centre for Information and Communication Technologies and Society (ICT&S), University of Salzburg, 21 May 2003.

131. Invited Lecture, 'Inside the Communication Revolution: after the .com euphoria', to the Leipzig World Telecommunications Day conference, University of Leipzig, Leipzig, 14 May 2003.
132. 'World Summits and Information Societies: Missing Conceptual Tools for Policy', Lecture presented at the University of Halle, nr. Leipzig, 13 May 2003.
133. Invited Lecture, 'World Summit on the Information Society: Another case of 'technology push'? presented to the School of Communication, Simon Fraser University, Burnaby, 29 Apr. 2003.
134. **Keynote Speaker**, 'World Summits and Information Societies: Missing Conceptual Tools for Policy', 'New Media and Everyday Life in Europe' EMTEL Conference, LSE, 23-26 Apr. 2003.
135. 'Invited Presentation, The Internet, Globalisation and Human Rights: Policy Challenges', at 'Global eDevelopment: Prospects of Sustainability' seminar, Information Society Institute, University of Tampere, Finland, 14 Apr. 2003.
136. Invited Presentation, 'Convergent Technologies and the Research Challenge', to the Postgraduate Training Event on Communications Policy, AHRB Centre for British Film and Television Studies, London, 13-14 Mar. 2003.
137. Seminar Presentation, 'A Proper Response to the Global Digital Divide Debate: The E-Commerce Example', to DESTIN, LSE, London, 12 Feb. 2003.
138. Paper Presentation, 'E-Marketplace Services: Do They Support a Global Marketplace', at the Association for Evolutionary Economics Conference, Washington DC, 3-5 Jan. 2003.
139. **Keynote Speaker**, 'The Internet and the Forces of Capitalism', to the Association of Internet Researchers (AoIR) International Conference Internet Research 3.0: NET/WORK/THEORY, Maastricht, the Netherlands 13-16 Oct. 2002.
140. **Keynote Speaker** 'New Media and the Power of Networks' (2002), DSI Age, conference, 'Decision Making and Decision Support in the Internet Age', University College Cork, Ireland, 4-7 Jul. 2002.
141. Invited Presentation, 'E-Marketplace Services – Do they support a global market?' based on joint IDS/LSE research project funded by DFID, for the Information Systems Department Conference, 'IT and Globalisation', LSE, 22-23 Apr. 2002. (with Daniel Paré).
142. Invited Presentation, 'New Media, Global Networks and Human Rights', at the International Workshop on 'Globalization, New Technologies, Inequalities and Social Well-being Development', Aalborg University, Denmark, 4-6 Apr. 2002.
143. Invited Paper Presentation, 'Emergency Healthcare: An Emergent Knowledge-driven System', to the CERIOECD/DfES/QCA/ESRC Forum 'Knowledge Management in Education and Learning, Oxford, 18-19 Mar. 2002.
144. Seminar Presentation, 'New Media and Civil Society Organisations – What Can ICTs do?' Presentation at The Centre for Civil Society Workshop, LSE, 20 Feb. 2002.
145. Invited Lecture, 'E-Marketplace Services – What do the e-hub sites deliver?' A joint LSE/IDS project funded by DFID, presentation for 3rd Socio-technical Lecture Series, Westminster Business School, 20 Feb. 2002.
146. Paper Presentation, 'Inside Tier II of the 'Digital Divide'', Paper prepared by Mansell and Neice and presented by David C. Neice, for the joint IAMCR-ICA Symposium on the Digital Divide, University of Texas, Austin, 17 Nov. 2001.
147. **Professorial Inaugural Lecture**, 'New Media and the Power of Networks', First Dixons Public Lecture, The London School of Economics and Political Science, 23 Oct. 2001.
148. **Keynote Speaker**, 'The Ambiguity of Social and Technical Systems', for the Critical Research Information Systems Workshop, University of Salford, 9-10 Jul. 2001.
149. **Plenary Speaker**, 'Uncertain Transitions: Five Internet Logics' for Regulating the Internet: What do we need to know?' International Communications Association Conference, Washington DC, 25 May. 2001.
150. Seminar Presentation, 'The Ambiguity of Social and Technical Systems', at Symposium on 'Media Research: New Agendas, New Priorities', [Media@lse](#), 14 May 2001.
151. Panel Speaker, 'Social Constituencies and Creative Knowledge Production', CODE Conference, Queens' College, Cambridge, Panel on 'The Future of Knowledge', 4-6 Apr. 2001.

152. Seminar Presentation, 'New Media and Society – A Core Issue', at the New Media Workshop, LSE, 24 Apr. 2001.
153. Seminar Presentation, 'Deep Structures of Knowledge Societies', at a Media @ LSE seminar, LSE, Mar. 2001.
154. Workshop Presentation, 'Electronic Commerce Analytical Models: A Translation to the Media Industry', a Workshop on 'E-merging Media', European Communication Council, at LSE, 20 Feb. 2001.
155. Seminar Presentation, 'Uncertain Transitions: The old and the new media', at a Media @ LSE seminar, LSE, 25 Jan. 2001.
156. Paper Presentation, 'Net Compatible: The Economic and Social Dynamics of Electronic Commerce' (2000) at the EURO CPR (Communications Policy Research Conference), Venice, 26-28 Mar, 2000. (with I Schenk and W. Edward Steinmueller)
157. Paper Presentation, 'New Regulation in Telecommunications: Evolving European Frameworks and the UK Experience' seminar on 'New Frontiers for Energy and Telecommunications Industries: Regulation, Technical Change and Business Strategies', Federal University of Rio de Janeiro, 19-20 Oct. 2000.
158. **Keynote Speaker**, 'Linking Information, Networks and Knowledge for Development', Conference on 'New IT and Social Inequality, Centre for International Development and Conflict Management, University of Maryland at College Park, 16 Feb. 1999.
159. Paper Presentation, 'Towards "Digital Intermediation" in the Information Society', at the Association for Evolutionary Economics Annual Meeting in conjunction with the Allied Social Sciences Association, New York, 3-5 Jan. 1999 (with R. Hawkins and W.E. Steinmueller).
160. Paper Presentation, 'Intellectual Property Rights, Competing Interests on the Internet', at the EURO CPR (Communication Policy Research) Conference, Venice, 15-17 Mar. 1998 (with W. E. Steinmueller).
161. Invited Lecture, 'Social and Economic Regulation: Mixing Oil and Water', Conference on 'Paving the Way for a New Communication Policy', Studies on Media, Information and Telecommunication (SMIT), Vrije Universiteit Brussel, Brussels, 21 Oct. 1998.
162. **Plenary Speaker**, 'Media and Communication Research in Britain', IAMCR 21st Scientific Conference and General Assembly, University of Strathclyde, Glasgow 26-30 Jul. 1998.
163. Invited Lecture, 'Skills, Networks & IT Applications', at the Institution of Electrical Engineers (IEE) Event Programme, Savoy Place, London, 28 May 1998.
164. Invited Lecture, 'Distributed Information + Networks ≠ Knowledge', Institute of Development Studies, Sussex, 15 Jan. 1998.
165. Invited Lecture, 'Information, Networks & Knowledge - New Research Challenges', at the Stockholm School of Economics, Stockholm, 27 Jan. 1998.
166. **Keynote Speaker**, 'The Scarcity - Abundance Dialectic: The Dynamics of Communication and Access', Speech for the Amsterdam School of Communication Research Opening Conference, 18-19 Sept. 1997.
167. Paper Presentation, 'Relocations of Competition in the Field of Information and Communication Technology' at the DRUID Summer Seminar, Skagen, Denmark, 1-3 Jun. 1997.
168. Paper Presentation, 'Strategies for Maintaining Market Power in the Face of Rapidly Changing Technologies', at the Association for Evolutionary Economics Conference, New Orleans, 4-6 Jan. 1997.
169. **Third Smythe Memorial Lecture**, 'Controlling the Information Gateways: A Political Economy of Innovation for the 'Knowledgeable Society'', School of Communication, Simon Fraser University, Burnaby, Jan. 1996.
170. Paper Presentation, 'The New Telecommunications: Policy and Regulatory Changes', at the Technical University of Denmark, Center for Tele-Information Course for Telecom Regulators, Borupgard, Denmark, Feb. 1996.
171. Paper Presentation, 'Designing the Future, Social Needs, Research Policy and the Information Society', at OST (Observatoire des Sciences et des Techniques), SPRU and *Nature* International

- Colloquium 'Research Policies for Europe's Future: Strategies and Perspectives', Paris, 28-29 Sept. 1995.
172. Invited Lecture, 'The New Telecommunications in The Netherlands: Strategic Developments', at 'Alternatieve Telecommunicatie Infrastructuren' Conference, Amsterdam, 26-27 Sept. 1995.
 173. Paper Presentation, 'New Communication Markets: Regulating in the 'Commodity' Supply Environment', at the International Association of Mass Communication Research (IAMCR) International Conference, Slovenia, Jun. 1995.
 174. Invited Speaker, 'De Nouvelles Entreprises Publiques Un Nouveau Service Public', Institut Francais des Sciences Administratives, Paris, May 1995.
 175. Invited Speaker, 'Taking EC Telecommunications Law into the Future', Academy of European Law Trier Conference, Nancy, France, Jun. 1995.
 176. Invited Seminar Presentation, 'Network Governance and Information Technologies', to Faculty of Osgoode Hall Law School, Toronto, sponsored by Canadian Institute of Advanced Research (CIAR), Nov. 1995.
 177. Paper Presentation, 'Science Parks, Experimentation and Strategic Telecommunications Network Provision: The UK Experience', at the European Symposium on Research, London, 1994.
 178. Paper Presentation, 'Centres in Transition: SPRU Centre for Information and Communication Technologies', at the DORCISS Spring Workshop, 'Centres in Transition', May 1994.
 179. Paper Presentation, 'From Telephony to Telematics Services: Equity, Efficiency and Regulatory Innovation', at the European Association for Evolutionary Political Economy (EAEPE) Conference, Barcelona, 28-30 Oct. 1993.
 180. **PICT Charles Read Memorial Lecture**, 'From Telephony to Telematics: Equity, Efficiency and Regulatory Innovation', London, sponsored by ESRC and British Telecom, May 1993.
 181. Paper Presentation, 'Public Access, Private Networks and Closed Membership: Electronic Trading Networks in Europe', at Private Networks and Public Objectives Workshop, Columbia Institute for Tele-Information, Columbia Business School, New York, 25 Sept. 1992.
 182. Paper Presentation, 'Design Considerations for Global Information Networks', at the IAMCR International Conference, Communication Technology Policy Section, Brazil, Aug. 1992.
 183. Paper Presentation, 'Broadband Telecommunication Strategies: Incremental Change in Europe', at the 9th International Telecommunication Society Conference, Sophia Antipolis, 14-17 Jun. 1992.
 184. Paper Presentation, 'Electronic Trading Networks and Interactivity: The Route Toward Competitive Advantage', at the 9th International Telecommunication Society Conference, Sophia Antipolis, 14-17 Jun. 1992. (and M. Jenkins).
 185. Presentation, 'Research and Identification of Joint Projects on Telematics Services', At workshop, Telematics Research Centre, Apeldoorn, The Netherlands, Apr. 1992 (with C. Freeman, L. Soete, J. Akkermans).
 186. Invited Lecture, 'Global Networks: European Strategies & Policies', British Computer Society, Brighton, Jan. 1992.
 187. Seminar Presentations, 'Policy Research for a Global Networked Economy' and 'Prospects and Policies for Electronic Trading Networks', at the University of Calgary, 30 Mar.–1 Apr. 1992.
 188. Paper Presentation, 'Electronic Trading Networks: EDI and Beyond', at the IDATE 13th International Conference on Industrial Dynamics, Innovation Policies, and New Markets, Montpellier, France, Nov. 1991 (and M. Jenkins).
 189. Paper Presentation, 'Old Roads and New Signposts: Trade and Policy Objectives in Telecommunication Standards', 6th European Communications Policy Research Conference, Heemskerk, The Netherlands, 23-25 Oct. 1991 (and R. Hawkins).
 190. Paper Presentation, 'Transnational Advanced Business Communication: European Perspectives', at the 41st International Communications Association Conference, Chicago, 23-27 May 1991.
 191. Paper Presentations, 'Global Networking: Biases in Communication and Trade' (1991) CIRCIT Seminar, Melbourne Australia, Sept. 1991 and 'Global Issues Introduction' in J. Sinclair (ed.)

- 'Broadcasting and its Regulation in the New Era', *Proceedings of a CIRCIT Conference*, Melbourne, Nov. 1991, pp. 5-6.
192. Seminar Presentation, 'European Perspectives and Policies for Advanced Communication', at the Centre for Advanced Study in Telecommunications Seminar, Ohio State University, May 1991.
 193. **Closing Plenary Speaker**, 'The West looks East: Reformulating Telecommunication Strategies', Paper for 'Telecommunications in a Common European House', Moscow, 17-21 Dec. 1990.
 194. **Plenary Opening Comments** on a Paper by Professor J. Halloran and 'Telecommunication Policies for the Network Economy: New Control Structures and Democracy', Paper presented at the 17th International Association for Mass Communication Research Conference, Ljubljana, 23-31 Aug. 1990.
 195. Paper Presentation, 'European Telecommunications in a Multilateral World: Implications of Liberalisation for the Evolution of Services', at the International Communication Association Conference, Dublin, 25-29 Jun. 1990.
 196. Paper Presentation, 'Restructuring Telecom's Tariffs: Policy Issues, Trends and Implications', at the 4th Annual European Communications Policy Research Conference, Kronberg, 25-27 Oct. 1989.
 197. Paper Presentation, 'Restructuring Telecommunications: New Patterns of Service Market Opportunities', at Conference on 'Formulating Business Strategies to Capitalise on European Telecommunication Reforms', Institute for International Research, Brussels, 15-17 Jan. 1989.
 198. Paper Presentation, 'Telecommunications Network-based Services: A Comparison of Regulatory Frameworks', at the 7th International Telecommunications Society Conference, Boston, 29 Jun-1 Jul. 1988.
 199. Paper Presentation, 'Telecommunications Network-based Services: Markets and Regulation in Transition', at the International Association for Mass Communication Research Conference, Barcelona, 25-29 Jul. 1988.
 200. Paper Presentation, 'The Political Economy of Research in the Telecommunication-based Service Sector', at the joint CCA/ICA/ARCQ Session on Critical Perspectives on the New Technologies in International Communications, Kingston, Ontario, 22 May 1987.
 201. Paper Presentation, 'The Contradictory Economics of Intellectual Property', at the John Logie Baird Conference on Copyright, Glasgow, Jun. 1986 (and W. H. Melody).
 202. Paper Presentation, 'The Bypass Threat: Real or Imagined', at the Canadian Communication Association Conference, Montreal, Jun. 1985.
 203. Paper Presentation, 'Introduction to a Bibliography on Communication, Information and Culture', at a Seminar on Technology and Culture, Institute for Latin America, Transnational Centre for the Study of Culture, Lima, Peru, 1985 (with W. Melody and D. W. Smythe).
 204. Paper Presentation, 'Contradictions in Canadian Information Policies', at the XIV Conference of the International Association for Mass Communication Research, Prague, Aug. 1984.
 205. Paper Presentation, 'Technology and Markets in the Information Sector: Policy Issues and Implications', at the Canadian Communication Association Conference, Ottawa, 1982 (and W. H. Melody and R. Samarajiva).
 206. Paper Presentation, 'The 'Dominant Paradigm' Communication Research', at the Canadian Communication Association Conference, Halifax, Nova Scotia, 1981.
 207. Paper Presentation, 'A Critical Appraisal of Traditional Methods in Communication and Development Policy Research: The Need for a Contextual Analysis', at the XXX Annual Meeting of the International Communication Association, Mexico, May 1980.

RESEARCH PRESENTATIONS FOR INDUSTRY/GOVERNMENT/CIVIL SOCIETY

Keynote/Plenary presentations in bold

1. Chair, 'The Network of Everything?', Cyber 2017: Developing Norms, Improving Harmonisation and Building Resilience', Chatham House, 26-27 Jun. 2017.
2. Panelist, '10 Tech Enablers: Europe's Rising University-Industry Clusters', Organised by Science/Business and sponsored by Huawei technologies, Salon event, Brussels, 18 Oct. 2016.
3. **Opening Ministerial Plenary Speaker**, 'WSIS Outcomes, Lessons and Futures', UN Commission on Science and Technology for Development (CSTD) Eighteenth Session, Geneva, 4-8 May 2015.
4. **Keynote Speaker and Round Table Chair**, 'HEPTech Academia Meets Industry on Big Data', Organised by CERN Geneva, hosted in Budapest, 30-31 Mar. 2015.
5. 'Competition on the Internet' with EU DG Competition Policy Directorate Commissioner, Joaquin Almunia, LSE and Business Breakfast Briefings, Discussant, 11 Nov. 2013.
6. Panellist, On Internet Access Rights, UNESCO Conference on Connecting the Dots: Options for Future Action, Paris, 3-4 Mar. 2015.
7. Invited Participant, IDEAS Lab, Digital Economy Theme, Centre for Economic and Policy Studies (CEPS), Brussels, 26 Feb. 2015.
8. Panellist, Implementing evidence-based policy internationally: practice policy and ethics, Researching Children's Rights Globally in the Digital Age, LSE and UNICEF, 12-14 Feb. 2015.
9. **Chair**, Concluding Response Session, Design for Sharing Workshop, Cinema Museum, London, 4 Nov. 2014.
10. **Chair**, Internet Governance – The Year of Institutional Evolution: from 'NetMundial' to the US Government IANA oversight transition, LSE Media Policy Project Seminar, LSE, London, 22 Oct. 2014.
11. Session chair, 'Building capacity for policy reform, Role of regional networks', LIRNEAsia, Workshop, Kandalama, Sri Lanka, 16-18 May 2014.
12. Panellist, Panel 10 Measuring Progress and Global Review, New Technologies for Innovation and Digital Development, Fourth Ministerial Conference on the Information Society in Latin America and the Caribbean, Montevideo, 3-5 Apr. 2013.
13. **Keynote Speaker**, "Imagining the Internet: Open, Closed or In Between?", Open Development: The Future of the Information Society in Latin America and the Caribbean, Montevideo, 2-3 Apr. 2013.
14. Panellist, 'Developing World and Civil Society Origins and Concerns as They Relate to the WSIS Agenda and Its Future', Session 27, WSIS+10 Conference, 25-27 Feb. 2013, Paris.
15. Presenter of UNESCO *Renewing the Knowledge Societies Vision: Knowledge Societies for Peace and Sustainable Development* Report 'Stakeholder Accountability in Sustainable Knowledge Societies', UNESCO WSIS+10 Conference, Paris, 25-27 Feb. 2013.
16. Speaker, Meeting 'Knowledge Societies: Present and Future', UNESCO KSD, Paris, 14 Jun. 2012.
17. Session Chair, LIRNEasia@5: Research to Policy, 'LIRNEasia as a research project: Findings', Colombo, Sri Lanka, 10 Dec. 2009.
18. Panel Chair, The Future of Digital Britain, Panel with Jeremy Hunt, Shadow Culture Secretary, media entrepreneur Peter Bazalgette, POLIS/LSE, London, 17 Nov. 2009.
19. **Plenary Speaker**, Visby Agenda, Creating Impact for an eUnion, 'Changing Social Values: Contestation or Consensus', Presidency High Level Conference, Visby, Sweden, 9-10 Nov. 2009.
20. Paper Presentation, 'Communication and Technology: What's New?' LIRNEAsia Seminar, Colombo, Sri Lanka, 19 Jan. 2009.
21. Invited Speaker, 'Discovering the Undiscovered: The Power of Social Media', NATO Professional Communication Away-Day, NATO Headquarters, Brussels, 5 Jun. 2008.
22. **Workshop Chair** and Organiser, 'Brainstorming a Research Agenda for UNESCO's Information and Communication Sector Programme', UNESCO, Paris 20-21 Dec. 2007.
23. Seminar Speaker, 'Communication and Technology: What's New?', LSE-EDS Innovation Research Programme, LSE, London, Nov. 2007.

24. Session Chair, 'The New ICT Ecosystem in Europe: Theory, Government Policy and Regulation', Conference on 'The new ICT Ecosystem and the Way Forward for Europe' organised by Professor Martin Fransman, University of Edinburgh, for France Telecom, Paris, 14 Sept. 2007.
25. **Invitation by the President of the United Nations General Assembly**, 'Crossing Boundaries with New Media', Introductory remarks for the panel on 'the responsibility of the media', United Nations General Assembly Third Informal Thematic Debate on 'Civilizations and the Challenge for Peace: Obstacles and Opportunities', New York, 10-11 May 2007. Translated and published in *Communication Management*, 2(4): 5-10, 2007.
26. Presentation to Advisory Council on Impact of New Media on Society (AIMS), 'Interactive Digital Media – Trust, Risk and Crime', Singapore, at the International Institute of Communication, London, 19 Apr. 2007.
27. Paper Presentation, 'Security Challenges of Networks: Cyber Trust and Cyber Crime', for the EDS LSE Innovation Research Programme seminar on Security Challenges of Networks, London School of Economics, 13 Mar. 2006.
28. Contributor to report, 'Understanding "Informational Developments": A Reflection on Key Research Issues', of the UNRISD Workshop, 26-27 Sept 2003, Geneva, UNRISD, 1 Feb. 2006 compiled by M. Powell.
29. Paper Presentation, 'Network Security in an Insecure World: Fighting Cyber Crime', at LSE-EDS Conference on 'Innovation & Productivity: What we know, what we don't', EDS Innovation Conference, LSE, London 13 Dec. 2005.
30. Invited Presentation, UNESCO '21st Century Talks: Towards Knowledge Societies', UNESCO, Paris, 6 Dec. 2005.
31. Invited Presentation, 'Challenges and Opportunities of e-Business in a Global World', WSA Content Forum 1: e-business, WSIS, Tunis, 15 Nov. 2005.
32. Panelist, 'Framing WSIS in Global Governance Processes: Linkages and Follow-up', ITeM Parallel Event, Kram Centre, Tunis 17 Nov. 2005.
33. Presentation, 'The WSIS and Global Community –Creativity, Culture and Local Capacity', at ITID, MIT Press & Berkman Center, Harvard Law School, WSIS Parallel Event, Kram Centre, Tunis, 18 Nov. 2005.
34. Chair, 'Communication Research in the Information Age: Launching the International Researchers' Charter', IAMCR Parallel Event, WSIS, Kram Centre, Tunis, 16 Nov. 2005.
35. Chair and Speaker, 'Alleviating Inequality: Struggles Over ICT Financing Mechanisms' (2005) IFRD World Forum on the Information Society, IAMCR Panel 2 Transfer of Information Technology and Knowledge: Development & Underdevelopment, Renaissance Tunis Hotel, Tunis, 14 Nov. 2005.
36. **Keynote Speaker**, 'Moving towards evidence based policy formulation and regulation: The significance of ICT indicators for African development, Research ICT Africa! Policy Dialogue', Link Centre, Wits University, Corinthia Hotel, Tunis, 16 Nov. 2005.
37. Lecturer and World Bank Course Developer, 'Electronic Commerce in Developing Countries', (with W. H. Melody), Washington DC, 19 May 2005.
38. Session Chair, 'Educating and Raising Awareness of Governance Company-wide – Do Qualifications and Standards Accreditation Mean Anything or is There a Need for Third Party Auditing through an Independent Co-Regulatory Body?' InfoSecurity Europe conference, Olympia London, 26-28 Apr. 2005.
39. **Overall Workshop Chair**, New Initiatives Project on 'Ubiquitous Network Societies', International Telecommunication Union, Geneva, 6-8 Apr. 2005.
40. Invited Lecture, 'Knowledge Societies for Whom?', Video-Conference for 'KnowGlobal Interaction: Knowledge and Development, Brasilia, Ministry of Education, 6-7 Dec. 2004.
41. Invited Paper Presentation, 'Cybertrust and Crime Prevention', at the 'Vulnerable Societies: Research Implications' European Commission Workshop, Brussels 5 Jul. 2004.
42. Invited Paper, 'The Nature of the Information Society: An Industrialized Country Perspective' (2003) presentation to the 'Visions of the Information Society' ITU Conference, Geneva, 18-25 Feb. 2003.

43. Final Remarks, 'Getting Europe Ready for the New Age of Networks: Challenges for Public Policy', STAR Conference, STAR Final Conference, Milan, 14 Nov. 2003.
44. Invited Presentation, 'The Future of IPR', to 'Beyond the Backlash: Where Next for the Digital Economy?' Demos/IPPR/iSociety/Forum for the Future joint workshop, RIBA, London, 7 Nov. 2002.
45. Workshop Presentation, 'New Media and Civil Society Organisations – What Can ICTs do?' at the Ethical Media workshop, 'Supporting Southern Voices Online: What role can digital technologies have in international development?', The Africa Centre, London, 17 Apr. 2002.
46. Paper Presentation, 'Mobilising the Information Society: Bridging Digital Divides', for the Conference on Economic and Social Cohesion in the Information Society, Ministry for Economic Affairs, Bruges 13-14 Sept. 2001.
47. Lecture, 'Strengthening African Capacity in Knowledge Generation and Distribution: Towards effective "e-service" policies', at the 'Refresher Study Programme for World Bank Education (Africa) Task Managers', Institute of Development Studies, Sussex, 24 Jun. 2001.
48. Seminar Presentation, 'E-Commerce for Developing Countries: Impact, obstacles and policies', at a Joint Seminar on Technological Leap and Sustainable Development, LSE-Lab and DaimlerChrysler Society and Technology Research Group, LSE, 5 Mar. 2001.
49. **Plenary Speech** 'Information and Communication Technologies for Development: The Digital Divide and Gender Issues', Woman's Forum, Global Knowledge II Conference Forum, Kuala Lumpur, Malaysia, 6-10 Mar. 2000.
50. Invited Presentation, 'Who will be the Trusted E-Brokers?', at the First NCR Knowledge Lab Annual Symposium, Canary Wharf, London, 16 Sept. 1998.
51. Invited Lecture, 'Universal Access Policies for the European Information Society', presented on the occasion of the 5th Anniversary of the Belgian Institute for Post and Telecommunications (BIPT), Brussels, 17 Jun. 1998.
52. Invited Presentation, 'Insurgent or Incumbent Leadership in a Global Market?' at the Andersen Consulting Roundtable 1, Savoy Hotel, London 18 May 1998.
53. **Opening Plenary Paper**, 'From Scarcity to Abundance and Back Again - The Information Society and Social Exclusion', UK-Canada Colloquium, Keele University, 23-26 Nov. 1997.
54. Invited Speaker, European Information Services Forum, International Institute of Communication, Brussels, Jun. 1997.
55. 'Paper Presentation, Standards, Security and Encryption: Technical Innovations, Policy and Strategy', at OECD Workshops on the Economics of the Information Society, No. 3 organised by the Ministry of International Trade and Industry, Japan, Ministry of Posts and Telecommunications, Japan, and OECD, Paris. Tokyo 4-5 Mar. 1996.
56. Paper Presentation, 'The Relative Maturity of ICT Technical and Institutional Systems', at OECD Workshops on the Economics of the Information Society, No. 1, Toronto, 28-29 Jun. 1995.
57. Invited Lecture, 'The Competitive Prospects of the UK in Electronic Information Services', UK Publishers Association, London, Mar. 1995
58. Seminar Presentation, 'The Design of Policies for Networking Organisations', to business and government attendees sponsored by Canadian Institute of Advanced Research (CIAR), Nov. 1995.
59. Invited Lecture, 'Regulating the Information Highways: Challenges for the Future', to the Suffolk BT Women's Network, BT Laboratories, Martlesham Heath, Ipswich, Jan. 1994.
60. Invited Paper, 'Should Local and Long Distance Network Operators be Separated', for 'Competition and Change in the Local Loop: Challenging the Last Bastion of Monopoly', IBC Conference, Cafe Royal, London, 23-24 Mar. 1993.
61. Invited Paper, 'Strategic Issues in Telecommunications: Unbundling the Information Infrastructure', for the International Institute of Communication (IIC) Telecoms Forum, London, Jan. 1994.
62. Chair and Opening and Closing Remarks, 'Information Technology Business Opportunities in Eastern Europe and the Former Soviet Union', Conference Sponsored by the Adam Smith Institute, London 13-14 Oct. 1994.

63. Paper Presentation, 'International Comparisons of Tariff Structures of Public Telecom Operators', at Telecom Europa '92, Economic Symposium, International Telecommunication Union, Budapest, 12-17 Oct. 1992.
64. Invited Presentation, 'Research on Electronic Trading Networks', Association for Payment and Clearing Services, (APACS), London, Feb. 1992.
65. Paper Presentation, 'New Telecommunication Network-based Services: Challenges for the 90s', at the Economics Symposium TELECOM '91, ITU, Geneva, 13-15 Oct. 1991 (with D. Ypsilanti).
66. Paper Presentations, 'International Experience in Telecommunication Policy', 'Telecommunication Policy and Strategy: European Trends and the UK Case', the Telecommunications Colloquium sponsored by the Ontario Department of Culture and Communication, Toronto, Ontario, 10-11 Jun. 1991.
67. Paper Presentation, 'Cost and Pricing Issues in Telecoms: An Analysis of European Trends', Conferencia Internacional Sobre Tarifas Telefonicas y Desarrollo de Nuevas Servicios, Madrid, Jan. 1990.
68. Paper Presentation, 'Information and Telecommunication Technologies: Regional Development Issues and Prospects', to the Information and Telecommunications Technology for Regional Development seminar organised by the Government of Greece and OECD, Athens, 7-9 Dec. 1987.
69. Paper Presentation, 'Telecommunication Network-based Services: A Framework for Analysis', for an international working group on VANS, Directorate General XIIIb, Commission of the European Communities, Luxembourg, 29 September, published as Annex to *Kiosque*, proceedings of the Working Group, Dec. 1987.

RESEARCH FUNDING

Greater than £100,000 in bold

1. LSE Enterprise Consultancy, WiFi in the Air (for INMARSAT), contribution to report on social attitudes and behaviours, Value: £750, Apr. 2017.
2. Enhancing Life Project (2015-17) *Dream Machine Imaginaries and Realities in the 21st Century*, PI, funded by John Templeton Foundation, University of Chicago, and Ruhr University Bochum, Value: £50,000 – declined to take up LSE Interim Provost/Deputy Director position.
3. UNESCO, Preparation of a concept report on Knowledge Societies for Peace and Sustainable Development, with G. Tremblay, Professor Emeritus, University of Quebec at Montreal, for the WSIS+10 Conference, Paris, Feb 2013. Value US\$10,000.
4. ***Not Just Talk: Practice, Power, Knowledge and Information and Communication Technologies (TIPPI)***, collaboration with Dr. Evangelia Berdou, Institute of Development Studies, Sussex, funded by Institute of Development Studies, 2012-14. Value: £100,000.
5. *The Networked News Lab*, ESRC funded Project, with Nick Benequista, 2012-14. Value: £50,867.
6. *International Institute for Sustainable Development*, Report on ICTs, Innovation and Sustainable Development, funded by IDRC, Canada, Oct 2012. Value CAN\$ 2000.
7. ***Socio-Economic Impact Assessment for Research Projects*** (SEQUOIA), collaboration with Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, funded by European Commission 2010-2012. Value: €500K of which €150K to LSE.
8. *British Telecom*, preparation of Expert Witness evidence in British Telecommunications plc ("BT") and TalkTalk Telecom Group Limited v Secretary of State for Business, Innovation and Skills ("BIS") in the matter of an intended claim, with W. E. Steinmueller, July 2010 and January 2011. LSE Enterprise, Value £42,500.
9. *Advancing knowledge-intensive entrepreneurship and innovation for growth and social well-being in Europe* (AEGIS) Integrated Project, Theme 8 Socio-economic Science and Humanities, European Commission, Mansell named expert with SPRU University of Sussex 2008-10.
10. ***Open Philosophies for Associative Autopoietic Digital Ecosystems*** (OPAALS), collaboration with Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, funded by European Commission 2007-10. Value: €9m of which €1.5m to LSE.

11. **Information and Knowledge Management – Emergent (IKM-E)**, Steering Committee, funded by Dutch Ministry of Foreign Affairs and administered by the European Association for Development Training and Research Institutes (EADI), 2007-2012, Value: €5m.
12. **Digital Business Ecosystems (DBE)**, collaboration with Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, funded by European Commission, Integrated Project 2003-6. Value: LSE component €350,000.
13. **ICTs for Development – Universal Service and Telecommunications**, PI with William H Melody and Claire Milne, Consultant, funded by International Development Research Centre (IDRC) Canada, Jan-Mar 2006. Value: CAN \$70,000.
14. **Countering Terrorism in Public Places** Research Programme Director, IDEAS Factory Sand-Pit, EPSRC, 2006. Value £10,000, leading to three large scale funded projects for participants.
15. **E-Commerce for Developing Countries: Assessing the Models and Experience** World Bank, One Day Training Programme with William H Melody, Washington DC, 2005. Value: US\$1,700.
16. **Information Society Strategy for Latin America and the Caribbean**, for World Summit on the Information Society, United Nations CEPAL Expert Advice, 2005. Value €5000
17. **Cyber Trust and Crime Prevention Foresight Project**, leader of all social science contributions to project, funded by Office of Science and Technology (OST), Foresight Project 2003-04. Value: £25,000
18. **Contribution to World Report on Towards Knowledge Societies**, UNESCO, 2003. Value: US\$15,000
19. **Visions of the Information Society**, International Telecommunication Union, Geneva, Report. 2003. Value: US\$ 5,000
20. **Growth-Nodes in Knowledge-based Europe (G-NIKE)**, led by IN3 University of Catalonia, Barcelona, funded by European Commission 2002-03. Value: £40,000 to LSE
21. **E-Commerce with Developing Countries**, PI with Institute of Development Studies, Sussex, funded by UK Department for International Development 2001-03. Value: £195,700
22. **Socio-economic Trends Assessment for the Digital Revolution (STAR)**, with Databank Consulting, Milan, funded by European Commission, 5th Framework, Information Society Technologies (IST) Programme, Key Action II Electronic Commerce 2000-03. Value: €2.9 m of which 39% to SPRU, University of Sussex.
23. **The Economic Importance of Electronic Networks**, PI, funded by Prime Minister's Strategy Unit, Cabinet Office Preparation of a Report, August 2002. Value: £29,345.
24. **Digital Divide** Commonwealth Secretariat, IT Expert Group, London, PI 2001. Value: £5,000.
25. **Electronic Commerce and the Emerging Economies**, OECD Workshop Dubai and Background Paper, OECD Paris, 2000. Value: £5,000.
26. Programme coordination for **Global Knowledge Partnership Action Summit, Global Knowledge II Conference**, British Council with International Development Research Centre (IDRC), Kuala Lumpur, 2000. Value: £10,000.
27. **Forecasts and Assessment of Advanced Communication Technologies and Services and Recommendations (FAIR)** with Databank Consulting, Milan, funded by European Commission, DGXIII 4th Framework Advanced Communication Technologies and Services (ACTS) Programme 1995-08. Value: € 3 m of which 35% to SPRU, University of Sussex.
28. **Assessment of Telematics Programme (ASSENT)**, PI, coordinating large scale multi-country survey (1996-9), funded by European Commission, DGXIII, 4th Framework Telematics Programme. Value: €1.5 m of which 25% to SPRU, University of Sussex.
29. **Prospectus for GAIT - Global Access to Information Technologies**, PI funded by International Development Research Centre (IDRC) Canada (1999). SPRU University of Sussex. Value: CAN\$ 20,000
30. **Systems of Innovation**, International Development Research Centre (IDRC), Background Paper for a program sponsored by IDRC and IFIAS, 1997. Value: CAN\$ 500.
31. **Working Group on IT & Development**, United Nations Commission on Science and Technology for Development, Rapporteur and Commissioned Report Editor, 1997. Value: US\$ 27,000.

32. *Foresight Panel on Information Technology and Communications Electronics*, Office for Science and Technology, London, 1997. Value: £500.
33. *Knowledge Societies: IT for Sustainable Development*, PI, funded by UNCTAD on behalf of United Nations Commission for Sustainable Development, SPRU University of Sussex. 1996-97. Value: US\$ 27,500.
34. *Net Compatible: Virtual Communities, Intelligent Agents and Trust Service Provision for Electronic Commerce*, PI, funded by NCR Financial Services Knowledge Laboratory, London 1998, SPRU University of Sussex. Value: £50,000.
35. *The New Telecommunications in the Netherlands*, PI, funded by Rathenau Institute, (formerly Netherlands Office of Technology Assessment) 1995, SPRU University of Sussex. Value: €35,000.
36. *Mainframe Computing and Distributed Computing*, led by Maastricht Economic and Research Institute on Innovation and Technology (MERIT), University of Limburg, The Netherlands and Amdahl Corporation, 1995. Value: €15,000.
37. *Building South-North Bridges on the Information Superhighway – Towards a Global Agenda for Collaborative Research and Action*, International Development Research Centre (IDRC), Canada Workshop, Cairo, 1995. Value :CAN\$ 1,000.
38. *Electronic Procurement: Stage 1 Report*, PI with L. D'Adderio, J. Molas-Gallart, funded by Ernst & Young and European Commission 1995, SPRU University of Sussex. Value: £50,000.
39. *Intellectual Property Rights: The Development of Information Infrastructures for the Information Society* led by MERIT, University of Maastricht, funded by European Parliament, Scientific and Technological Options Assessment (STOA) Programme 1995. Value: €30,000.
40. *Employment and Telecommunications*, PI, funded by International Labour Office, Geneva, Report, 1995. Value: US\$ 20,000.
41. *Assessment Indicators and the Impact of Information on Development*, Consultative Panel, International Development Research Centre (IDRC), Canada, 1994. Value: CAN\$ 500.
42. *Working Party on Telecommunication and Information Services Policy*, OECD, Information, Computers and Communication Policy Division, Directorate for Science, Technology and Industry, Report, 1994. Value: US\$ 5,000.
43. *Electronic Information Services Market and Competitive Strengths and Weaknesses*, UK Department of Trade and Industry, Report 1994. Value: £10,000.
44. *Telecommunication in Transition, Development and Interconnection Implications for Central and East European Economies*, OECD, Information, Computers and Communication Policy Division, Directorate for Science, Technology and Industry, Workshop Report, Budapest, 1994. Value: US\$ 5,000.
45. *Media and Advanced Communication Services*, led by Technology Investment Partners, Paris with Mansell and Silverstone as coordinators of academic research, funded by Commission of the European Communities, Socio-Economic and Technical Impact Assessment & Forecasts, RACE II 1993. Value: £30,000.
46. *Communication Revolution – Implications for Policy and Governance*, World Humanity Action Trust London, Report, 1993. Value: £2,000.
47. *High Performance Computing: Network Implications in the US, Europe and Japan*, OECD, Report for Information, Computers and Communication Policy Division, 1993. Value: £2,000.
48. *Telecommunication, Multinational Enterprises and Globalization*, Rank Xerox Cambridge EuroParc, Report 1993. Value: £5,000.
49. *Scoping Study on the long term needs for internal and external communication systems*, Metropolitan Police Service, London, Report 1993. Value: £2,000.
50. **Earth Observation Data Policy for Europe**, led by Logica Space and Communications Ltd with Mansell and S. Paltridge and R. Hawkins, funded by European Commission, DG-XII, Report 1992. Value: €150,000
51. *European Network for Communication & Information Perspectives*, University of Sussex, New Research Development Grant, 1992-93. Value: £5,000.

52. *European Cross-Border Telecommunications: Monitoring Alliances and Strategies*, PTT Netherlands, The Hague, Report and seminar for Business Strategy Committee, 1992, Value:€500.
53. *Human Resources & Communication Highways*, funded by Egnatia Epirus Foundation, Greece and European Commission, Expert participant at Symposium and co-author report with G. Lauder 1992. Value: £10,000.
54. *Coherence and Diversity of Systems of Innovation*, funded by European Commission with LATAPSES Sophia Antipolis, FAST Programme Report, DG-XIII, Paper Mansell and M. Sharp, 1992. Value :€25,000.
55. *Cross-Border Telecoms: Prospects for Long Distance Carriers in Europe*, NYNEX Network Systems, AT&T Istel, Cable & Wireless, Report 1992. Value US\$ 5,000.
56. *Technical and Policy Prerequisites for Global Networking Efficiency*, PI funded by UNCTAD, Geneva, Special Division on Trade Facilitation, Report with M Jenkins 1991. Value: US\$ 5,000.
57. *Electronic Trading Networks*, presentation for 'Trade Efficiency 2000', UNCTAD, Geneva 1991.
58. *International Governance: Trade in a Globalising World Economy*, Canadian Delegation Representative to UNCTAD High Level Meeting, Jakarta, 1991. Value: US\$ 1,000.
59. *Corporate Network Strategy*, British Telecom and AT&T Istel Ltd., Chair, Workshop for Directors, London 1991. Value: £2,000.
60. *Multimedia Applications*, PI, Fujitsu Laboratories Ltd. Tokyo, Report, 1991. Value: £15,000.
61. *Global Networking Strategies*, British Telecom, Course material for Economics Module, British Telecom, Telecommunications Engineering Staff College, London, 1991. Value: £15,000.
62. *Global Telecommunications*, Brighton Partnership for Management of Technology, Course Module Preparation, 1991. Value: £5,000.
63. *Special Session on Telecommunications*, OECD, Information, Computers and Communication Policy Committee, Directorate for Science, Technology and Industry, Rapporteur, Chairman's Closing Remarks and Synthesis Report, 1990. Value: US\$ 4,000.
64. *Transnational High Speed Data and Digital Video Communications, Perspectives on Advanced Communications for Europe* PACE '90, PI, funded by European Commission 1990. Value: €50,000.
65. Business case for the Privatisation of 'Uruguay Telecommunications Sector Restructuring – Why and How', BIS Mackintosh Consultancy, Leader, Economic and Financial Team, 1990. Value: £5,000.
66. *Mobilising Information Resources for Economic Development*, World Bank, Advisor to Centre for Urban and Regional Development Studies (CURDS), Newcastle University, 1990. Value: £4,000.
67. *Telecommunications Liberalisation*, Scottish Development Agency, Advisor to Centre for Urban and Regional Development Studies (CURDS), Newcastle University, 1990. Value £1,000.
68. *British Library Dainton Lecture*, Draft speech for R. Maxwell with G. Oldham, 1990, Value: £1,000.
69. *Survey of Official and Unofficial Data Sources and Classification Systems for Telecommunication Equipment, Networks and Services*, OECD, Information, Computer and Communications Policy Committee, Directorate of Science, Technology and Industry, 1989. Report, Value :US\$ 5,000.
70. *New Telecommunication Network-based Services*, World Bank, Report, 1989. Value: US\$ 2,000.
71. *Inward Technology Transfer*, Department of Trade and Industry, Economics Division, London, Report, 1989. Value: £1,000.
72. ***Programme on Information and Communication Technologies (PICT)***, PI, Director of ESRC Research Centre, 1988-1995. Value: £1.3 million
73. *Interaction between Changing Telecommunication Market Structures and the Equipment Industry*, OECD Information, Computer and Communications Policy Committee, Directorate of Science, Technology and Industry, Report, 1986. Value: US\$ 2,000.
74. World Administrative Telegraph and Telephone Conference Delegate, UK Department of Trade and Industry, International Telecommunication Union, Melbourne, 1988.
75. *Comparative broadcasting policies in the US, Canada, the UK and the Member States of Europe*, Department of Communications, Ottawa, Report with R. Collins, 1986. Value: CAN\$ 5,000.

76. *Telecommunication costs and pricing in Nova Scotia*, Nova Scotia Public Utilities Board, Assistant Director, Report, with William H Melody, 1983. Value: CAN\$ 10,000.

AWARDS

Distinguished Contribution Award, International Association for Media and Communications Research (2017)
Best paper, International Association for Mass Communication Research Conference (IAMCR), Communication Technology Section, Ljubljana (1990)
Scholar in Residence, School of Business, Queen's University, Ontario (1988)
Best Theoretical Article, *Canadian Journal of Communication* (1984)
Social Science and Humanities Research Council (SSHRC) Doctoral Fellowship (1980-1983)
